Subject: Re: FY06 SMP

Hi all I have reviewed the latest version and have added comments in pdf format. The comments are not critical, they are mere suggestions to reduce some of the site descriptions for OU1. The text can still give a slight impression that these are individual sites, but, I think this can be manage. I have just redlined some of the text that really is not needed for the site description.

Hello,

Attached is the revised draft SMP, for your review. It has been reorganized per the team's comments. Please feel free to redline, comment, etc. please note that this version of the document has not been formally formatted, but will be for the final version.

let me know if you have any questions.

thanks,

Katie Tippin

This is confusing. A RA report signifies that the ROD has been signed.
